December, 2024

Greetings from The Aura,
On a cool November morning, the atmosphere was vibrant as our excited members walked in to experience the joy of board gaming beyond the childhood years.

Board game enthusiast Cauvery Kesavasamy was at the Aura with a dozen games for a fun filled morning. We drew cards, rolled the dice and embarked on an unforgettable gaming adventure with Cauvery and her daughter Shruti, creating memorable experiences for everyone involved.

Aura Athena hosted the event enthusiastically guiding members through the session. The games though simple, tested our strategic thinking, problem solving and decision making abilities..

Ladies, roll your sleeves, dust your board games, set the dice rolling to enjoy a complete off screen entertainment with friends and family!
